Subject: Tower Standard Letter from Wisconsin DNR
Importance: High

Ignacio and Mike:

Please find attached to this email a letter from the Wisconsin Department of Natural Resources to you regarding the Tower Standard leaking underground storage tank site in Wisconsin. We would like to respectfully thank EPA for their help and efforts to date on this project. This letter summarizes the state's path forward on this site. We will continue to work with you and the Tribe to solicit and understand your comments and

concerns. However, we do have an agreed upon schedule to meet and the DNR is going to be respectful of the PECFA deadline in order to effectively use the state funds available for this site.

Please feel free to call me if you have questions.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
